RESPONSE TO NOTICE OF NON-COMPLIANT AMENDMENT

Sir:

Applicant submits this communication in response to the Notice of Non-Compliant Amendment ("Notice"), mailed May 5, 2005. As this communication is being submitted before the end of the one-month period for reply, no extension of time is necessary.

The Notice states that the amendment document filed on December 17, 2004 is non-compliant because Applicant has not underlined all current and previously added claim language per 37 C.F.R. 1.173. No other point of non-compliance was noted. Accordingly, in response to the Notice, Applicants attach a replacement "Amendments to the Claims" section, comprising

replacement pages 2-12, in which previously added claim language associated with claims 15-64 is now underlined. In addition, Applicant has revised the parenthetical explanatory text corresponding to those claims from "Original" to "Previously presented," as those claims were originally presented by way of the Preliminary Amendment of February 1, 2002. Applicant respectfully requests that the replacement pages 2-12 be substituted for the corresponding pages of the previously-filed amendment document. No new matter has been added to any of the replacement pages.

Upon entry of the replacement sheets, claims 1-70 remain pending in the application. Entry of the replacement sheets and allowance of the pending claims is respectfully requested.

Authorization is hereby given to charge any fee in connection with this communication to Deposit Account No. 23-1703.
